Dar Al-Hekma University benefited from the two high-quality online platforms for distance learning: namely, Blackboard and the Student Information System (SIS).

All students have registered in the virtual classes given, and all courses of all teachers were uploaded on the Zoom platform used for virtual classes. The University has 139 licenses for 90 accounts that it is using. Consequently, all faculty members have accounts on the Zoom platform, under the University account that has a mixture of paid and free accounts.
