Leadership program.

How to Publish Research in International Scientific Indexing (ISI) and Scopus Indexed Journals

Dar Al Hekma University hosted on April 13 at 8:00 – 7:00 pm through the Zoom platform Dr. Abed Allelli, Associate Professor at King Faisal University in Saudi Arabia. Dr. Allelli is a graduate of Oxford University and the best-selling author on Amazon, director of the National Center for Talent and Creativity Research, and editor-in-chief of the Scientific Journal of King Faisal University. He has published his books with the best international academic publishing houses like Safir, Springer, Taylor and Francis, Wiley, Siega, Palgrave, Nature Research, and Oxford press. Most of his writings and interviews have been translated into many different languages.

Dr. Allelli, who was interviewed by Dr. Dalal Omar Abbassi, Assistant Professor, Chair of the Educational Leadership Department, discussed how to publish research in ISI and Scopus and their importance for researchers.
